

DOUBLE WIN FOR MRC

At the 2009 Ontario Steel Design Awards

June 15, 2009 – Double Win for MRC at 2009 Steel Design Awards MRC's design of the Clyde Avenue Bridge, Rapid Replacement on Hwy 17 in Ottawa received an Award of Excellence in the Engineering Category at CISC's Ontario Region 2009 Steel Design Awards held at the Mississauga Living Arts Centre on May 13, 2009.

The firm's design of the Sioux Narrows Bridge Replacement in Northern Ontario was selected as the Best Converted Project for Projects Converted to Steel at the same 19th Annual Ontario Steel Design Awards.

MRC merged with MMM in August of 2008.
