I would like to announce the following changes at MMM Group International Inc.

Art Seanor, President for Marshall Macklin Monaghan International Inc. for the past three years, has been appointed to a new corporate responsibility for developing environmental services for infrastructure projects involving alternative energy production, transmission services and waste management.

The corporate offices of MMM Group International Inc. are now based in Ottawa with branches in Toronto and Vancouver. Project offices are located in a number of countries. Management staff consists of the following:

- J. Hugh O'Donnell, Chairman and CEO, Ottawa
- Suresh Bhatta, Vice President, Vancouver
- Martin Cherry, Vice President, Caribbean
- Robert G. Mason, Operations Manager Ottawa

As many of you know, MMM has been active internationally since 1964 and has successfully completed projects in more than 50 countries including the Middle East, Asia, Africa, the Caribbean, Latin America and Europe.

MMM is a multidisciplinary firm of over 1000 professionals engaged in consulting engineering, planning, project management, environmental, surveying and commissioning services for private and public sector clients.

We look forward to continuing to serve our established clientele, and welcome the opportunity to assist potential clients in their particular requirements. Please feel free to call me at 1-613-221-9748 ext. 234 or e-mail me at odonnellh@mmm.ca.
